

Cardboard Box, Nature and T-Shirt Fabric Weaving at Skelmanthorpe Textile Heritage Centre!

What to do.

1. Collect a cardboard box and cut little incisions into the top at either end.
2. Pull and wrap string around the incisions from top to bottom and bottom to top until you have a warp.
3. Begin to weave sticks and leaves in and out of the warp.
4. Cut strips of t-shirt fabric into 30 cm lengths to weave through the warp.
5. Cut strips 10 strips of t-shirt fabric to create the decorative tassels at the bottom of the weave.
6. When the weaving is complete, take the weaving off the cardboard box and fix it to a frame!
